

NAMALNAMIA

غیاث نامہ

THE MAN WITH THE VISION

Today, Pakistan is at a critical junction. What we do now will help us tip the scales. The challenges faced by the nation are ours to overcome. Education offers us a way to endure and overcome all obstacles and Namal Knowledge City is a way for us to capitalize on knowledge to push Pakistan to greater heights and foster sustained change.

Sure, we got our independence in August of 1947, but true independence can only be achieved if we as a nation can steer our ship and grow unhindered. Education remains the only tool at our disposal to ensure a thriving Pakistan. Our youth will determine our future. May you prosper and rise high to take our nation higher.

Imran Khan

WITNESS THE TRIUMPH!

NAMAL UNIVERSITY CELEBRATES ITS FIRST CONVOCATION

FROM VISION TO REALITY

Another academic year has formally concluded with a magnificent Convocation Ceremony of the Class of 2023. Even though this was the 9th convocation, it was the first under the charter of Namal University Mianwali acquired in 2021. At such times of celebration, we cannot help but reflect on the awe-inspiring dedication of Namal's founder and champion of education, Imran Khan.

As Namal breaches through 16th anniversary mark, Imran Khan's vision remains an exemplary blueprint of social uplift and economic development. 116 students have graduated this year. Many more before them are already out in the world making an impact in ways that affect generations.

The convocation reflects the dedication of donors, the support of leaders, and the resilience of students. It also signifies the graduates' role as beacons of hope, inspiring others to pursue a brighter future. To the supporters of Namal, well-wishers, staff and faculty, and the wonderful parents of the graduates, thank you for believing in the vision of Namal and for making this event a resounding success.

...we hope that in the years to come you will play your part in giving something back to Namal. We want you to have a lasting association with us here.

Mr. A. Razak Dawood

Mrs. Aleema Khan, Mr. Abdul Razak Dawood, Dr. Ishrat Hussain & Dr. Najam ul Islam

I can testify that Mr. Imran Khan firmly believed in merit. And Namal today is, in my view, a practical living example of his belief. I congratulate the students who have all come here on merit. And the faculty members who have all come here on the basis of their performance and qualifications.

Dr. Ishrat Hussain (Nishan - e - Intiaz) | Guest Speaker

I can see the sparkle in your eyes and the determination. This is a characteristic of a thriving nation.

Dr. Najam ul Islam | Rector, Namal University

Fatima Fazal with her sponsored student and his family, along with Dr. Uzma Khan

Mr. & Mrs. Faisal Bangali with their sponsored student

Dr. & Mrs. Aasim Yusuf with their sponsored student

Mrs. Shirin Zafar, Khawaja Belal & Dr. Uzma Khan with the parents of a graduating student
