Issue No. 25 | Namal University Pakistan | April - June 2024

NAMALNAMA

نمل نامہ

Extend Your Blessings

Donate on the 10 Best Days of the Year

Words are not enough to express the impact of your giving. Your support for education during the holiest month of Ramadan was monumental in helping Namal University offer scholarships and endure the dreams and hopes of so many parents. 97% of the students at Namal continue to be on scholarships. With your contribution of Zakat and Sadaqah, you have earned Allah's countless blessings, not to mention the abundance of dua's of parents and students. Every lesson learned and every step of their career will be a testament to your generosity!

ذو الحجة
ZILL HAJJ

On the 10 best days of Zill Hajj, contribute and extend your blessings further.

"There are no days on which righteous deeds are more beloved to Allah than these ten days." [Sahih al-Bukhari - 969]

Campus Hosts Namal Ambassadors

Omair Rana

Namal University was pleased to host Omair Rana, a celebrated actor, director, and champion of higher education in Pakistan. Even though this was his first visit, Omair is no stranger to the Namal community. He has actively voiced Namal's vision and represented it in different events including the ones organized in the USA.

Maria B.

Maria B., fashion designer and founder of the famous clothing chain of the same name, graced Namal University with her presence. She engaged with the students and the faculty and explored the vibrant campus. Maria B. is a member of the Namal Scholarship Club and has supported many students in pursuing higher education.

Celebrating Diversity with Cultural Fest

Namal Society for Social Impact (NSSI) brought together students, faculty, and staff to celebrate the diversity at Namal. The Cultural Fest is a yearly tradition at Namal.

Winning Grants for Projects

Two final-year projects from the Electrical Engineering Department have won grants from the Pakistan Engineering Council (PEC). The winning projects are the Energy Management Dashboard with Siemens SCADA System and Dual Power Generation System (Solar & Wind).

NAMAL AGRIBUSINESS FORUM 2024

A Gateway to Agricultural Innovation!

The Nisar Aziz Agri Tech Center at Namal University Mianwali in collaboration with the Business Studies department organized the "Namal Agri Business Forum 2024." With this event, Namal is set to become a testing ground for agri-research focused on hybrid seeds, precision agriculture, soil behavior, biotechnology, organic products, agrochemicals, and value additions.

Artificial Intelligence & Big Data Center

Upgraded with Supercomputing Power

Namal University has procured a total of 14 computing units which will become Namal's first step to unlocking the benefits of supercomputing. Very few universities in Pakistan are currently offering courses related to AI with such a solid hardware configuration. This is the start of a promising journey for creating breakthrough programs and impacting lives through data-driven solutions. For Namal University, this is indeed a historic milestone that would propel Namal to heights of excellence.

This system has been generously contributed by **Syed Haris Ali** dedicated to the memory of his beloved brother **Akbar Ali.**

Congratulations Team USA For another round of successful events

Thanks to the generous support of the Pakistani community in the USA for promoting higher education in Pakistan. Omair Rana graced all five events with his presence as a guest speaker.

Chicago, Seattle, Austin, Dallas, Houston

Invest *in* Education

A GIFT THAT LASTS FOR GENERATIONS

You can contribute in the following categories:

- Scholarship Fund
- General Donation
- Zakat

A detailed profile of your sponsored student[s] will be shared with you, along with their regular academic performance.
