## NAMAL FLOOD RELIEF DRIVE 2022

The students of Namal University led a flood relief effort in Rajanpur district of South Punjab, Pakistan. Namalites extended their support with complete enthusiasm and provided emergency relief to 2000 households and hundreds of other eligible people impacted by the floods. The students received training from Provincial Disaster Management Authority (PDMA), and prepared flood relief packages for the affectees. They identified the deserving people and distributed hampers to the affected population. The students were motivated, took complete responsibility, and led a successful Flood Relief Drive. We sincerely thank our donors and Friends of Namal for their invaluable contribution and utmost support in this hour of need.
