REALIZING THE VISION

One Step at a Time

Mr. Imran Khan visited the site of Namal Knowledge City to interact with patrons and review the construction work being carried out at the site. All plots marking the site of new buildings have been leveled to pave way for construction. Paths for roads have also been flattened to gain access to the construction site.

Tunes of Togetherness

Ali Zafar, Ambassador of Namal Knowledge City, sat with the Namal Family for an unplugged memorable musical night.

I commend Mr. Imran Khan for bringing Namal Knowledge City in Mianwali to life. What was conceived more than a decade ago, is now being transformed into a reality that is set to define Pakistan's economic and social trajectory.

This project is enormous; much bigger than what we can imagine and yet, Mr. Khan is determined to uphold his dream for Pakistan!

I am very hopeful about what the future holds. Our succeeding generations will walk through the doors of this great city and will be in awe of the grandeur of the academic ingenuity. The place would be home to thousands of knowledge enthusiasts, thinkers, scientists, and change-makers.

I pray that this project becomes a tremendous success. Ameen.

“Namal All The Way”

From among all the outstanding achievements God has Blessed Mr. Imran Khan with - in the field of sports, healthcare philanthropy, and politics and statesmanship - the Namal project occupies a unique place in his heart: I bear witness that whenever mention of this endeavor comes up in his presence, his face lights up, and he spontaneously says, “This, uplifting of higher education, is my passion.” He envisions, beyond Namal University, the establishment of one of the largest educational consortiums in the world called Namal Knowledge City, which is inspired by the greatest centers of higher learning, Oxford and Cambridge.

It is my privilege and honor to be part of the Namal Family and participate in Namal's fundraising efforts. Namal remains eminently worthy of your continuing donations and support.

Welcoming Namal's 14th Batch
