NAMAL KNOWLEDGE CITY

ISSUE # 15

Namal University's cricket ground offers an enthralling experience. It offers spectacular vistas of the surrounding Namal Lake and beautiful valleys. Playing on this ground is indeed a memorable experience.

MUHAMMAD BILAL KHAN CONQUERING THE WORLD

Bilal's journey started in Mianwali; his birthplace. He was always a passionate student who dreamed to make an impact. Namal University was his first stop on his evolutionary road where he cultivated his dreams. His first breakthrough came when he was the first student from the university to be selected for an exchange program in the US. After graduating from Namal, he completed his master's degree and later Ph.D. in the field of mechanical engineering from Thailand.

Currently, Bilal is pursuing the Marie Curie Fellowship program in Spain. He lives by the motto:

**"Enter to learn,
leave to serve".**

STUDENTS' PROJECTS ON DISPLAY

OPEN HOUSE 2022

“

**Leadership comes when you
start thinking for others.**

Imran Khan

”

On March 21, 2022, an Open House was held at Namal University to allow students to demonstrate their final year projects. Twelve companies, including PTCL and Educative, visited the stalls where the students presented their projects and elaborated on their unique approaches to problem-solving. The Open House serves as a recruitment drive allowing students to network with different corporates.

CELEBRATING DIVERSITY

CULTURAL DAY 2022

Namal University organized a cultural festival to celebrate the diverse cultural heritage of Pakistan. The event was packed with student performances, exhibitions, and a qawwali night. Such events are organized annually at Namal University and they help promote cultural and religious harmony.

LOCALIZATION OF ARTIFICIAL INTELLIGENCE (AI)

PUNJABI SPEECH RECOGNITION SOFTWARE

Three students, Syed Uzair-ul-Hassan, Zeemal Urooj, and Muhammad Sajid Hameed from the department of Computer Science have developed a Punjabi speech recognition software. They developed the software from scratch by manually adding more than 50,000 words from Punjabi into their model, and then using it to facilitate speech recognition.

IFTAR DINNER FOR SCHOLARSHIP

In the holy month of Ramzan, Namal organized a fundraiser in Lahore to raise scholarships for talented students at the university. The event was led by Mr. Shahid Butt who has always been a staunch advocate of higher education.
