VINOD KUMAR'S QUEST TO LEARN

I always dreamed of getting out in the world, traveling to faraway places, meeting new people and exploring new cultures. My dream led me to Namal, which became the first step towards my long-awaited journey!

I come from Diplo, which is one of the oldest and remotest towns in Tharparkar, Sindh. We have no electricity, no water and there are hardly any schools let alone universities. In 2020, I secured admission at Namal but

my parents were reluctant to send me all the way to Mianwali. However, my teacher whom I call my mentor convinced my parents and here I am, studying at Namal getting the degree I always dreamt of.

NAMAL'S EARNEST SUPPORTERS

Mr. Aqeel Karim Dhedhi

Founder & Chairman of AKD Group

Allah has bestowed Pakistan with countless natural wonders and abundant resources. But our major strength is our youth. Imran Khan Sahib realized this before anyone else and in 2008, he set out to harness their immense potential by laying the foundation of Namal Knowledge City. As a longtime supporter of Shaukat Khanum Hospital and a friend of Mr. Imran Khan, I was immediately inspired by his vision. Since then I have seen this vision materialize into a center of excellence, Mashallah! Being a part of Namal has been one of the most rewarding experiences because I know that I am a part of something bigger.

Mr. Irfan Iqbal Sheikh

Ex-President Lahore Chamber of Commerce & Industry
Chairman, Alfatah Departmental Store

'We are a family,' that is what Khan Sahib has always said and I am so glad to be a part of his family of visionaries that spans the globe. The source of our strength is our collective vision which we believe in, and are determined to achieve for our beloved nation. Pakistan depends on such big-picture initiatives and together with more friends and with the enduring Grace of Allah we will transcend our goals.
