A New Chapter of Fun, Learning, and Transformation Class of 2028 to Join Soon

After four grueling months of the admission process, Namal University is ready to welcome 230 new students. They will spend four years at the university to gain valuable lessons that impact their career for a lifetime. These exceptionally bright students have been admitted to programs including BS Computer Science, BS Electrical Engineering, BBA, and BS Mathematics. Coming from various districts across the country, they will contribute to amazing diversity at Namal.

Namal University Students Achieve Remarkable Research Milestone with Publications in Top Journals

Undergraduate students from the Mathematics Department at Namal University have successfully published six research papers, under the supervision of Dr. Zia ur Rehman - Assistant Professor Mathematics department. Their work was featured on high-profile platforms such as Springer, Wiley, and ScienceDirect. These papers were published in W category journals, which are known for their high impact and competitiveness. This achievement showcases the hard work and talent of Namal's students and marks a significant milestone in their academic journey.

CS students shine at TechXhibit 2024!

Namal University's Computer Science students secured 2nd place competing against 60 teams from 30 universities at TechXhibit 2024 (AIRTECH 24'), a prestigious national tech competition hosted by Air University.

Namal Joins Millenium Fellowship Class of 2024

Namal University has been selected for the Millennium Fellowship Class of 2024, presented by the United Nations Academic Impact and Millennium Campus Network. Out of more than 52,000 applicants, Namal students' leadership and commitment to the Sustainable Development Goals have been recognized. Special recognition goes to Campus Directors and the seven Millennium Fellows. Their efforts reflect Namal's dedication to building a sustainable future.

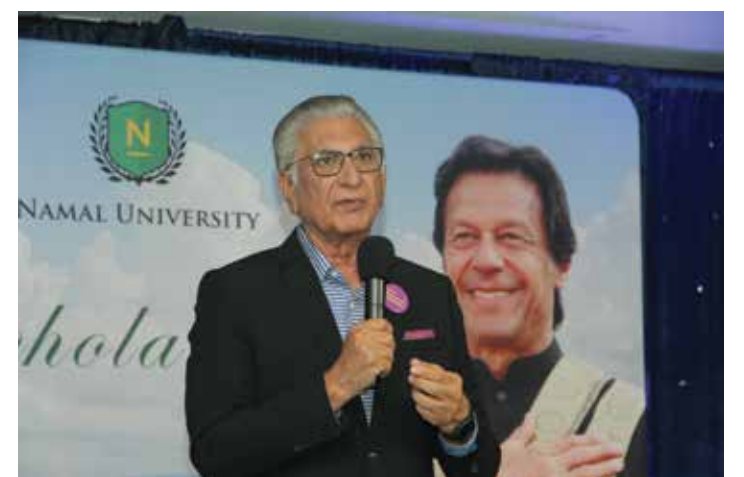

Washington Fundraiser Raises 45 Scholarships

Our recent fundraiser in Washington, D.C., was a remarkable success, with generous supporters helping us raise an amount equivalent to 45 full scholarships. We applaud everyone who attended and contributed to making the dream of Pakistan's first Knowledge City into a reality. Their devotion and commitment to Namal's mission will build a stronger knowledge economy and shape the future of education in Pakistan. Together, we are empowering the next generation of leaders.

Farewell Cricket Match

At the Farewell Match organized by Namal Sports and Adventure Club, students from Namal University showcased their cricket skills in a memorable event. The graduating Class of 2024 competed against Namal Eleven at the 123,400 sq ft. Namal Cricket Ground. This initiative reflects Namal University's commitment to engaging students in distinctive ways and offering a unique farewell experience.

Board of Governors Visit to Namal Commitment to Excellence!

The Namal University Board of Governors, including Mr. Abdul Razak Dawood, Mr. Sikandar Mustafa Khan, and Dr. Arif Nazir Butt, recently visited the Mianwali campus. Over two days, they engaged with faculty, toured the facilities, explored academic departments, research centers, and residential areas. Their commitment to fostering supportive learning environment remains a key driver of Namal's continued growth and success. Together, we are shaping a brighter future for our students and community!
